Notes

1. Population Estimates are calculated by Performance, Research and Intelligence, Chief Executive's Group, NYCC. They are constrained to the Registrar General's District Based Revised Mid-Year Estimates for 2001 & Mid-Year Estimates for 2006; ONS; Crown Copyright.
2. All figures are rounded independently and may not sum.
3. The methodologies used in the calculation of Parish Population Estimates, and in some cases the parish boundaries, vary over time. These estimates are not directly comparable with those for earlier years.
