Hello, and happy summer holidays from the Ryedale Extended Schools team!

What a lot's going on in Ryedale! There are exciting activities for all ages, so we hope you'll find plenty to keep everyone busy, fit and happy over the holidays, whatever you're interested in doing, or learning to do. There are family activities as well as supervised sessions children can go to on their own or with their friends and also Holiday clubs for full day sessions.

Many of the activities featured are FREE or if there is a cost and you receive Me Too vouchers you can use them to pay with all of the organisations featured. Don't miss out - if you are eligible for free school meals and you haven't applied for Me Too vouchers please get in touch with Extended Schools on the numbers below to find out more.

Don't forget that if you have difficulty getting your children to activities in the holidays, we can help with transport too, so please contact us and we'll try to help:
