FOI5784	23-Apr-2019	<p>Dear Sir/Madam,</p> <p>I am contacting you from Environmental Resources Management (ERM). We are currently working on a project funded by the UK Government, Hy4Heat, looking at the potential transition to hydrogen in the gas distribution network as an alternative to natural gas.</p> <p>The project has been split into several work packages, with our work being carried out on Work Package 5</p>	Fully Answered

FOI Disclosure Log – April 2019

Reference Number	Date Response Sent	Description	Outcome
		<p>(WP5). WP5 is set to determine the viability of 100% hydrogen being fed as a fuel gas to gas appliances in the commercial sector (dominated by heating and catering appliances).</p> <p>To establish the scope of the task at hand, we are in the process of characterising the current market – including making an estimate of the installed base of commercial gas appliances in the UK.</p> <p>As means of assisting in this stage of the project, we are looking to gather data from local authorities on the gas appliances installed across their facilities. The public sector contributes to a large proportion of the UK's gas appliances, so to acquire this information would aid our research considerably.</p> <p>Below is detailed the information we are requesting – while it may not be available in such depth, any data that can be provided will be of great assistance.</p> <p>We are seeking a list or database of installed gas appliances, categorised into groups such as:</p> <p>Heating</p> <ul style="list-style-type: none"> • Boilers - condensing/non-condensing, wet central heating systems • Water Heaters - instantaneous, continuous, storage water heaters • Dry (Warm Air) Convection Systems – direct/indirect air heaters • Radiant Heaters – luminous (plaque) and non-luminous (tube) <p>Catering</p> <ul style="list-style-type: none"> • Ovens – deck ovens, pizza ovens, rack ovens • Steamers & Combi Ovens – combi-steam ovens, atmospheric steamers • Hobs & Grills – hobs, grills, griddles, barbecues, salamander grills, rotisserie grills • Water & Oil Heaters – fryers, pasta/noodle boilers, bratt pans <p>For each appliance, it would be useful to know the output rating, in either kW or BTU/hr.</p>	

FOI Disclosure Log – April 2019

Reference Number	Date Response Sent	Description	Outcome
		<p>We are also looking to know the sector in which each appliance is found, for example:</p> <ul style="list-style-type: none"> • Arts, Leisure & Community – clubs & community centres, leisure centres, museums, places of worship, theatres • Education – nurseries, state primary schools, state secondary schools • Emergency Services – fire & ambulance stations, law courts, police stations, prisons • Health – health centres, hospitals, nursing homes • Hospitality – cafes, restaurants, hotels • Military – military civilian accommodation, military offices, military storage • Offices – public office buildings • Storage – cold stores, stores, warehouses <p>We wish to obtain as recent data as is possible – ideally from 2018 or 2019. However, any data from proceeding years which could present market trends would also be favourable.</p> <p>Please get in contact if there is any further information required on the requested data.</p>

FOI5796	01-May-2019	<p>Hello, I'm writing to you in the hope of obtaining information relating to the number of reminder letters and summons sent to elected councillors in your authority area since 2015/16. I'd prefer to receive the information in Excel spreadsheet - xlsx or xls - format and if you cannot provide the information in full, I would like to request that you provide as much as you are able to within the cost and time limits of the Act. If you need clarification or can suggest ways in which the request can be refined in order for it to be successful, I'd be grateful if you could contact me as soon as possible. Please note that there is precedent for councillors to be named in relation to this issue - the High Court ruled in March 2015 that they should not have their identities protected when it comes to non-payment of council tax. I'd like to know the following: 1. How many unpaid council tax reminders were sent to councillors elected in your authority between 2015/16 and 2017/18? Please break down by financial year? 2. How many councillors were summonsed to court or given summary warrants in the same period? Again, please break down by financial year. 3a. How many reminders were issued to the councillors named? Please break down by year. 3b. For each instance, please provide the name of each councillor, the party they represent or represented at the time and the amount of council tax owed according to sums requested in the letter. Please also provide the amount of council tax that remains outstanding. 3c. Please also state for each councillor, whether they were barred from voting on the council's budget as a result of their council tax arrears and whether any summons received resulted in a court hearing going ahead. I'd be grateful if you could provide the information for questions 1 and 2 as totals for your authority and present the rest of the information within a spreadsheet with the following columns:</p> <p>Financial Year - Authority Name - Councillor Name - Party - No of Reminders - No of Summons - Amount Owed According to Reminders - Court Hearing Y/N - Outcome of Hearing - Banned from Voting Y/N - Current Sum Outstanding</p>	Fully Answered
