## **Member Development Task Group**

There is a Member Development Task Group, which meets several times a year to ensure that elected Members are fully engaged in the formulation, monitoring and evaluation of Member development activities.

The representatives on the Task Group are the Group Leaders. If you have any feedback, concerns or suggestions regarding learning and development, then please discuss these with your representative, who will raise this at a Task Group meeting, or contact Simon Copley, Democratic Services Manager, by email at [simon.copley@ryedale.gov.uk](mailto:simon.copley@ryedale.gov.uk) or by telephone on 01653 600666 ext 277.
