Where a property is numbered and the occupier wishes to add a property name, the number and street name should always be included in the address.

Please attach a site location plan (pen drawing is acceptable), showing the location of the property in relation to neighbouring properties, in order that the house can be identified within the Town/Village. **NB** Without this plan we will be unable to process your application.

If there are no objections to the new name then you will be notified of this within 28 days. If there are objections raised you will be asked to make an alternative suggestion. Once agreement has been reached it will be your responsibility to notify all relevant Utility Services (i.e. Gas, Electric, BT etc.). **NB:** This form should be returned **ONLY** after exchange of **CONTRACTS**.
